Application Timeline

Important Dates, Deadlines and Application Procedures

Required qualifications for applicants

1. Non-Chinese citizens, in good health

Applicants should be non-Chinese citizens. In the case of former Chinese citizens, they should have proof of having obtained a foreign citizenship for more than 4 years and with a valid passport.

2. Education and age requirements

Those applying for undergraduate study must be high school graduates with excellent grades, and not more than 25 years old.

3. Language requirements

- a. HSK4 (with a score of 222) or higher level for those applying for Chinese taught programs.
- b. IELTS 6.0 or TOEFL 75 points or more for non-native speakers of English choosing English taught programs.

Program overview

Systematically grasp the basic theories, methods, and basic skills of oil and gas resources exploration projects, obtain basic engineering training necessary for petroleum geology engineers, and provide engineering and technical personnel with innovative spirit, practical ability, and international perspectives. Learn engineering design, applied research, and production management in the field of oil and gas exploration and development. Independently engage in engineering design, applied research and production management of oil and gas exploration and development geology.

Tuition: 25000 RMB/Year
Course start time: September
Course duration: 4 Years

Modules

Resource Exploration Engineering

Year one

General Geology
 Petro-mineralogy
 Chinese Traditional Music Culture
 Paleontology and Geohistory
 Igneous Rock and Metamorphic Petrology
 Chinese Literature and Philosophy

Elementary Chinese
 Advanced Mathematics
 College Physics (I)
 Computer Fundamentals
 C Language Programming

Year two

College Physics (II)
 Experiment of College Physics
 University Chemistry
 Principles of Economics
 Structural Geology
 Geotectonics
 Sedimentary Petrology
 Lithology and Paleogeography
 Geological Field Practice

Year three

Seismic Data Interpretation
 Petroleum Geology
 Logging Data Interpretation
 Coalbed Methane Surface Geology
 Geochemistry
 General Introduction of Petroleum Engineering
 Environmental Science

Year four

Unconventional Oil and Gas Resources
 Geoanalytical Techniques
 Overview of the Global Oil and Gas Industry
 Graduation Design (16 weeks)

Application Materials

1. Certified highest diploma, and transcript with an average of over 70% (should be notarized by related organizations)
2. Copy of Passport, and soft copy of your passport photo with blue background, photo size 480x720
3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)
4. Two Recommendation Letters
5. Study Plan
6. English or HSK Proficiency Certificates (undergraduate students who have studied in English for two or more years during their study experience may also submit official certificate issued by school instead of IELTS or TOEFL scores.)
7. Physical Examination Report (laboratory reports must be attached)
8. Non-criminal Record Certificate

Students less than 18 years old need to find a guardian for their period of study in Beijing before they begin their studies, this person must be a resident of Beijing. They also need to provide the guardian document (should be notarized by the China Embassy in their own country).
