1. Application Qualifications:

1. Should be a non-Chinese citizen who can study and live in the school in good health and with a sound mind.
2. Age below 40 years
3. Master's degree Holder
4. Language Requirements:
Chinese-taught programs: HSK5 180
English-taught programs: Applicants should be native English speakers or come from countries with English as the official language; otherwise, they should provide a valid English test certificate such as IELTS 6.5, TOEFL 80, or TOEFL Essentials 9 (DI Code: C806).
5. Applicants should be friendly to China, law-abiding, without any criminal records.

2. Scholarship Application:

Category: **CSC Scholarship Type A** (Apply through the Chinese Embassy in your country)

Application Procedure:

It would be best if you enquired from the Chinese Embassy or consulate in your country on how to apply for a Ph.D. at the China University of Petroleum-Beijing. Besides, you need to apply for a Pre-Admission Letter through the university's online application system (<https://cie-registration.cup.edu.cn/>) and choose CSC Type-A. For more information, please contact our admission office. The application period is generally from December 2023 to March 2024.

Category: **CSC Scholarship Type B** (apply through our university, **agency number:11414**)

Application procedure:

中国石油大学(北京)

expenses (tuition, accommodation, living expenses, insurance, etc.) of the program that the applicant applied for. It is required that the corresponding amount be deposited in the applicant's account for at least one month.

If another person's account is used, a certificate proving the relationship between the applicant and the account owner should be provided. The certificate should be notarized by the local government and verified by the local Chinese Embassy or consulate abroad.

If the application materials are translated, they must be submitted after notarization.

Ph.D. applicants should have at least:

Chinese taught/English taught programs: 60000 RMB

4. Fees Structure:

Application fee: 400 RMB or 70 US dollars.

Tuition: 36000 RMB per year

On-campus accommodation: 1200 RMB /1500 RMB monthly per person depending on the room type.

China University of Petroleum provides a variety of payment methods such as mobile phone payment, on-site Union Pay card payment, or bank transfer.

All applicants must complete an online application and pay the application fee (except CSC type A applicants) before being considered for admission to China University of Petroleum, Beijing.

5. Notes:

1. The government will directly pay tuition for students on CSC or Beijing Government Scholarships to the university; students do not need to pay the fee themselves and cannot claim the money.
2. If CSC scholarship or Beijing Government Scholarship students choose to live on campus, we will provide free double room at International Students Dormitory. The government will directly pay the dormitory fee to the university, so the student does not need to pay by themselves.
3. Comprehensive insurance is bought for CSC scholarship and Beijing Government Scholarship students. The government will pay the fees to the insurance company, so there is no need to pay by yourself. You can neither give up the insurance nor claim the money for buying the insurance.
4. The funding period for a Ph.D. CSC scholarship depends on the study duration. If you need to take additional one-year Chinese language training, the scholarship will also cover this year. The duration of the scholarship cannot be extended.
